EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Larry J. Prescott (Reg. No. 39,335) on April 14, 2003.

The application has been amended as follows: In claim 11, add - - , integral to said encapsulation units - - after "removable molded stiffeners", line 6.

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant:

Cross hatching patterns added to elements 38 and 39 of figures 7 and 8 respectively as marked red in the attached drawing sheets.

In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

3. The following is an examiner's statement of reasons for allowance:

A molded flexible circuit assembly, as claimed, with a number of circuit die attached to a flexible tape, encapsulated by molded encapsulation units formed of molded encapsulating material, in combination with a number of removable stiffeners, integral to said encapsulation units, formed of said molded encapsulation material, has not been disclosed by prior art alone or in combination. Integral means attached with and formed at the same time the mold runners and molded circuit elements are formed and removable means can be removed at the same time the mold runners are removed after the processing of the molded circuit elements is completed, as shown in figure 4 and enabled by the disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
